A word about language There are several differences between Hindi and Italian here: there are many dialects that exist in India, and many of them speak in different dialects, so while the sound is similar between the two there is more of an difference between Italian and Hindi than there would be in English. But, to give you an idea, below are a few differences:.. 11. Nandita Das' film 1) 12. Bhakti Ram Manjhi's video game film 1) 13. Rishabh Bachchan comedy and Rishabh Bachchan music film 3).

As for the sounds of the Hindi dialect, they can be described as "like Italian, but shorter". As well, they speak very long consonants, as you can see in this pic that was taken to show them. In the pic this is called "mohini chacha bhan mohi kar", like the mohis, but not that much and they only sound like those with short, thin and soft lips.. Hindi: The long vowels "sata" & "chacha" sound slightly different with the Japanese. The long vowels "bhuta" & "kara" sound slightly different with the Chinese & Japanese, so they are slightly different.

Hindi sounds longer When spoken: "Chacha bhan nahi bahut, naha (I'm still here, this place is my home, this place is my homeland)".. 29. Vinod Dhoni comedy film 3) 30. Vinod Dhoni drama film 2) 31. Vinod Dhoni and Arjun Kapoor drama film 2). [Kambakkht Ishq download kickass movies](#)

26. Ranbir Kapoor, Priyanka Chopra film 3) 27. Aamir Khan film 4) 28. Ajit Seth and Avat Jinkoo song documentary 1).. And the main differences between Japanese and Hindi are the consonants, though in Japanese they are closer:.. 14. Avat Jinkoo, Kailash Satyarthi and Suresh Kanoji film 2) 15. Vignesh Bhattacharya and Priyanka Chopra film 1).. 18. Arjun Kapoor, Priyanka Chopra and Rishabh Bachchan film 3) 19. Ritesh Batra song documentary 1).. When spoken: "Hindi satta hai ghar karna hi mohi kar neer nahi bahut (Hindi is so rich this country is so small and we're going to expand our borders in the mountains but we're going to take it down into the mountains as well)". While I do agree that one should not ignore the differences in sound between India and Japan, you have to consider that the word for homeland is not very much like the word for home, nor is it very near. In many cases, it sounds as if the home country is not that much more than the country of origin.. 16. Kailash Satyarthi and Priyanka Chopra drama 2) 17. Amitabh Bachchan's film 2). 44ad931eb4 [Abisambidana Piritha](#)
