

---

Fiction Ruthless and beautiful, a breathtaking novel of a love that transcends time. In the tradition of Daphne du Maurier's Rebecca comes this story of a young woman consumed by an overwhelming passion. In Victorian-era England, Anne Ashby is drawn into a sensual affair with the darkly handsome gentleman who visits her father as tutor. Anne is recklessly drawn into his world, but her forbidden love will come at an unacceptable price. Torn between duty and desire, she must defy society or live forever in regret. A beautiful woman with the face of an angel and the will of a warrior, Anne is driven by passion she cannot escape or deny. Unaware that her soul is bound for eternity to that of another, she invites disaster into her life. A tale of obsession, seduction, and scandal, The Bride never forgets it is "a story about love--and about love gone wrong." A breathtaking novel of a love that transcends time. In the tradition of Daphne du Maurier's Rebecca comes this story of a young woman consumed by an overwhelming passion. In Victorian-era England Anne Ashby is drawn into a sensual affair with the darkly handsome gentleman who visits her father as tutor. Anne is recklessly drawn into his world, but her forbidden love will come at an unacceptable price. Torn between duty and desire, she must defy society or live forever in regret. Review: The story of a young Victorian woman who is ensnared by a handsome and mysterious tutor. He quickly charms Anne into a passionate affair that threatens her marriage plans to a boring if respectable man of her own social class. Anne's lover then disappears from her life as certainly as he entered it. Yet he certainly does not disappear from the pages of the book as we follow Anne's emotional struggle to regain something like peace and happiness at some distant future time when she might be able to be reunited with him once again--if indeed such reunion is possible. Great romance fiction that is rich with poetic prose, Gothic atmosphere, and some very interesting twists of plot. A novel not to be missed. Ellen C. Maze - Midwest Book Review historical romance ... passionate ... intrigue ... luxurious setting ... love triangle ... reminiscences of Daphne Du Maurier's Rebecca ...
